

It is an honour to lead Hampstead Theatre as its Artistic Director. Over this last, difficult year, many have missed the shared experience of live theatre and the irreplaceable sense of community it brings. With this in mind, we are all the more committed to making Hampstead Theatre thrive as a welcoming, creative space for our broad family of artists, makers and audiences.

Our ambition is to ensure Hampstead remains a centre of excellence for new, emerging and established playwrights, to nurture and champion artists, and to engage our local community.

Support from Patrons is essential to help us achieve this.

Our Patrons are passionate about theatre; their generosity sustained us through closure and is vital to ensure Hampstead's future. I would be grateful if you would consider joining as a Patron and help shape the theatre's future success.
